Please be advised that a pool closing service is a preventive maintenance and does not in any way guarantee the continued quality or future use of the pool, its equipment, plumbing, or interior finish. Pool closing prices are labor only and do not include closing chemicals or other materials required.

Important Note: *As your pool will likely be closed for an extended period of time, Pool World highly recommends that you chemically balance your pool water prior to having the pool closed. Proper pool water chemistry is vital to the overall longevity of your pool and its equipment.*

5) Payment and Services Authorization:
